

I would just like to take this opportunity to thank you all for supporting our Lenten Project this year, Papyrus. The amount raised of over £12,380 is an amazing contribution to help, promote and increase the work that Papyrus does to support all those affected by Suicide. A special thank you also to St Benedict's School for contributing over £2,000 from the money they raised for charities on St Benedict's Day on 21st March this year.

The Ealing Abbey Lenten Project happens every year and it forms a fundamental part of our parish pastoral outreach and is a symbol of what it means to be a practising Christian community. Together with raising money, it is a time to inform ourselves about people who need our care, our concern, our support and our prayers, people who have to deal with difficult issues that life has put in their way.

I would like to say a special thank you to all those who organised all the fundraising events: The Parish Lunch; the Quiz Night; the Raffle; the Arts & Crafts Fair and the Cake & Jam Sale. It all forms a solid block of bringing people together to show we care and want to do something to help. The Parish Lenten project wouldn't be the success it is without all your hard work, dedication good humour and cajoling skills. Thank you for the time and effort you give and bring, It is very much valued and appreciated!

The Lenten Project is a wonderful tribute and example of a Parish Community alive and caring for those in society who need our love and support! May God continue to bless all you do and thank you for making such a valuable contribution to the life of the Parish Community here at Ealing!

Mass will be offered for all of you, your well-being and continued health and God's protection!

In Christ,

Fr Ambrose OSB *Parish Priest*
